THE EVENT

# AI Infrastructure Conference Middle East

**Date:**  
25 November 2026

**Place:**  
Amman, Jordan

**Theme:**  
The Infrastructure Behind  
Intelligence

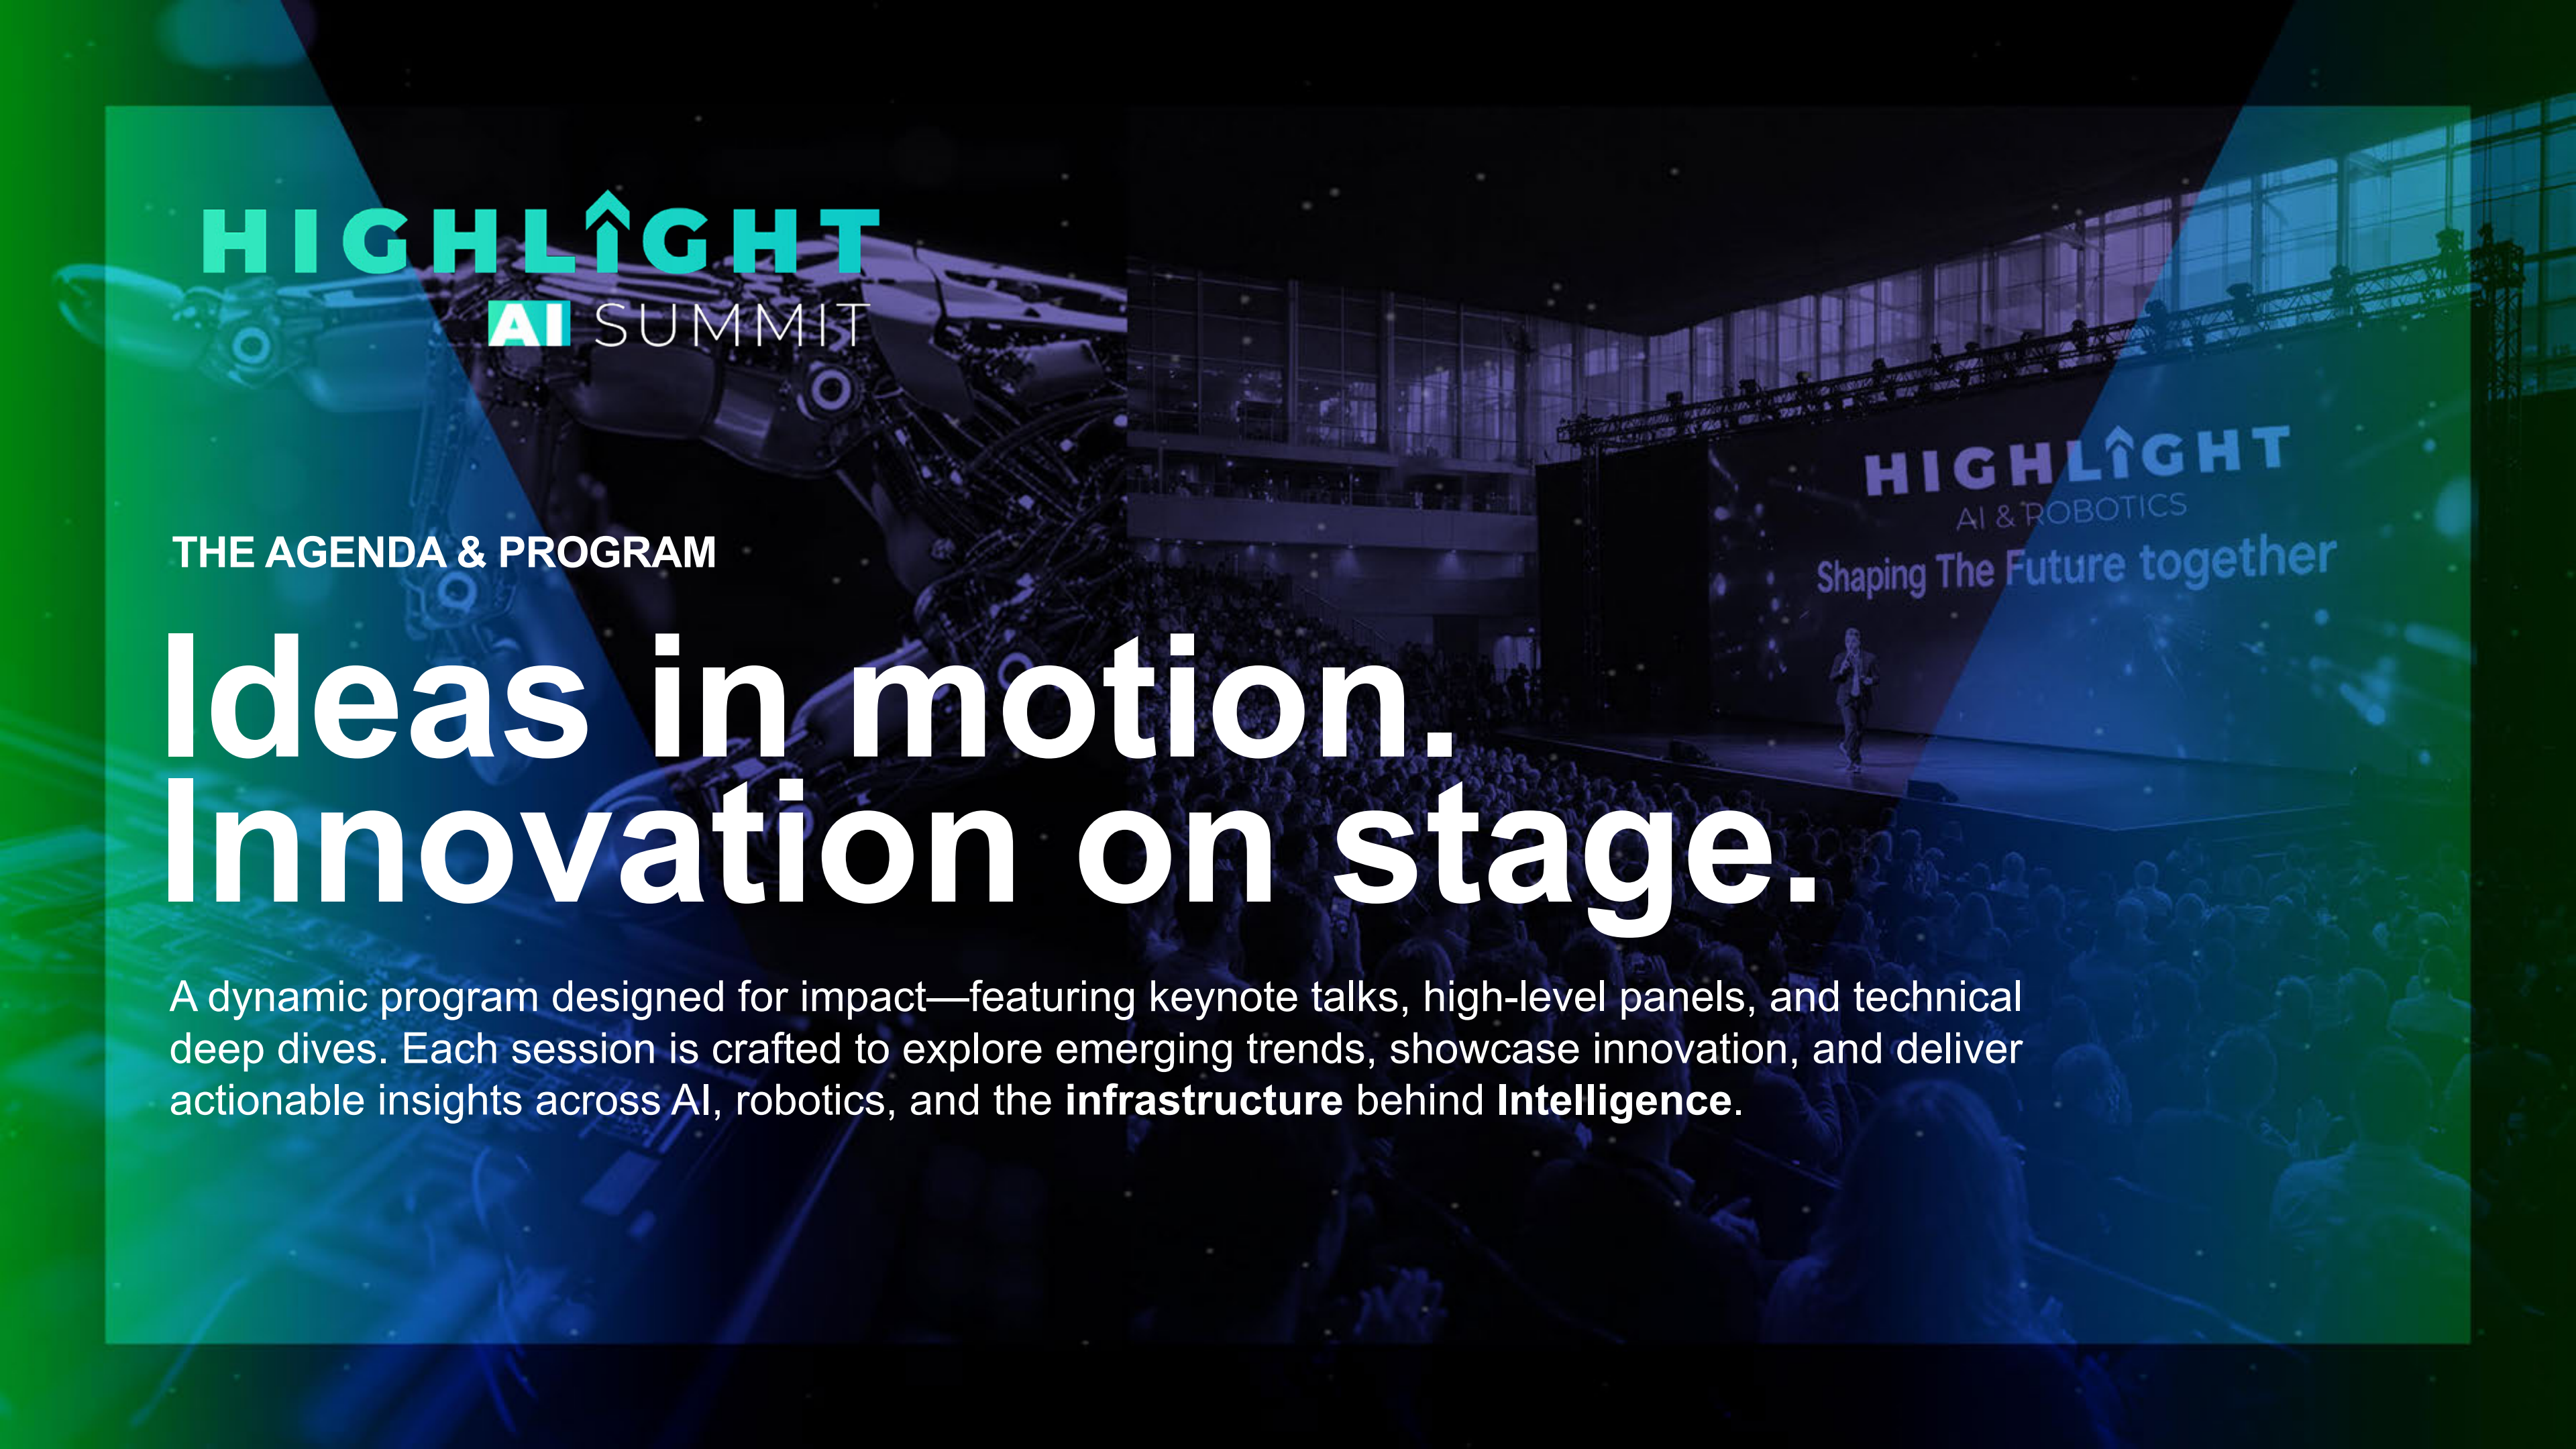

AI is transforming every industry. But behind every AI model, every intelligent application and every autonomous system lies something even more fundamental: **infrastructure**.

Highlight AI brings together the companies and leaders building that infrastructure—from **data centers, cloud and compute to connectivity, cybersecurity, and AI platforms**—alongside the businesses deploying AI at scale.

# “What to Expect & Technical Sessions”

Highlight AI Summit offers a dynamic and immersive experience designed to inspire and educate.

- ☐ Visionary keynote speeches from global leaders
- ☐ High-level panel discussions on industry trends
- ☐ Technical deep-dive sessions and workshops
- ☐ Live demonstrations of cutting-edge technologies
- ☐ Networking experiences and private roundtables

The background of the entire image is a large, dimly lit conference hall filled with an audience. In the foreground, the backs of many audience members' heads are visible as they face the stage. On the stage, a speaker is standing, and a large screen displays the event's branding. The overall atmosphere is professional and high-tech, with blue and green lighting accents.

**AI** SUMMIT

THE AGENDA & PROGRAM

# Ideas in motion. Innovation on stage.

A dynamic program designed for impact—featuring keynote talks, high-level panels, and technical deep dives. Each session is crafted to explore emerging trends, showcase innovation, and deliver actionable insights across AI, robotics, and the **infrastructure** behind **Intelligence**.

# HIGHLIGHT

## AI SUMMIT

THE SPEAKERS

# The minds shaping what's next.

A curated lineup of global visionaries, industry leaders, and technology pioneers sharing insights, experience, and bold perspectives

**HIGHLIGHT**  
**AI** SUMMIT

# Key Attendees & Opportunities

Highlight AT Summit attracts a powerful mix of decision-makers and innovators, including:

- ☐ C-level executives and industry leaders
- ☐ Government officials and policymakers
- ☐ Tech companies and global solution providers
- ☐ Developers, engineers, and digital creators

Explore how AI, and technologies are transforming **manufacturing, healthcare, finance, mobility, energy, retail, and other industries.**

# Highlight AI Summit — Core Themes

## 01 — AI Infrastructure

The foundation powering the AI revolution—from advanced computing and GPUs to AI hardware, high-performance computing, and the infrastructure required to scale intelligence.

## 02 — Data Centers

The physical backbone of AI. Explore the evolution of data centers, hyperscale facilities, edge computing, energy efficiency, cooling, and the infrastructure needed for AI at scale.

## 03. The Future of Industry

Explore how AI, robotics, automation, and emerging technologies are transforming manufacturing, healthcare, finance, mobility, energy, retail, and other industries.

## 04 — Cloud & AI Cloud

The platforms powering intelligent businesses. Discover how cloud technologies, AI-as-a-Service, hybrid cloud, and multi-cloud environments are accelerating AI adoption.

## 05 — Connectivity

AI depends on fast, reliable, and intelligent networks. Explore 5G, fiber, edge connectivity, telecom infrastructure, and the networks enabling real-time AI and autonomous systems.

## 06 — Cybersecurity & AI Security

As intelligence grows, so do the risks. Examine the future of cybersecurity, AI security, data protection, cloud security, identity, and cyber resilience in an increasingly intelligent world.

# Networking Opportunities

Events are all about expanding your network, making meaningful connections, engaging with industry peers and forming new partnerships. This is why **Highlight AI Summit** provides exclusive & personalized networking opportunities.

Throughout the one-day event, you can look forward to:

- 12 hours of networking opportunities
- 1-to-1 meetings
- A packed display area
